

DESCRIPTION

Born from the desire to design a café stool with a light appearance and strength to withstand intensive use. The steel tube frame references the back and armrests of a classical café stool. The frame is finished with matte powder coat.

OMSCHRIJVING

Een licht geconstrueerde café kruk was het idee. Het stalen frame is hiervan de basis. De vorm van de rug geeft de Cheers de identiteit van een café kruk. Het frame heeft een mat structuur poedercoat.

Design Neil David Coppens

ASH WOOD STAINS

Stain options accentuate the structure of the ash wood, while a matte lacquer finish allows the texture of the grain to show through a denser colour coverage.

Please be advised that the colours on these pages are printed and therefore may differ slightly from the original.
