Chair

2014

Neil David Coppens

DESCRIPTION

Born from the desire to design a café chair with a light appearance and strength to withstand intensive use. The steel tube frame references the back and armrests of a classical café chair. And the design of the back allows the chair to be hung off a tabletop for easy cleaning underneath. The frame is finished with matte powder coat.

OMSCHRIJVING

Een licht geconstrueerde café stoel was het idee. Het stalen frame is hiervan de basis. De vorm van de rug geeft de Cheers de identiteit van een café stoel. Door de stoel met de rug aan een tafel te hangen kan de vloer schoongemaakt worden.

Het frame heeft een mat structuur poedercoat.

Stain options accentuate the structure of the ash wood, while a matte lacquer finish allows the texture of the grain to show through a denser colour coverage.
