2014

Neil David Coppens

EN The back legs of this chair are folded into a hairpin shape to create a light but strong frame. This single line from the seat to the back provides strength with an elegant continuous line.

NED De uitdaging was om een zeer rank frame te ontwerpen wat aan alle eisen voldoet. De sterkte is bereikt door een haarspeld in de achterpoot te creëren.

TECHNICAL SPECIFICATION

Frame: Solid steel
Finish: Powder coat matte fine texture

Seat and back: Beech plywood construction + foam and fabric
Certificates: Beech plywood FSC and PEFC (making use of)
Foam and fabric BS 5852 part 2 (Crib5) or CAL 117-2013
